Rykneld Homes, Chesterfield Borough Council and Bolsover District Council are joining together to host a unique, free event for tenants who take an active role with their landlord or wider community, or are interested in getting involved.

This is an exciting opportunity to meet tenants from neighbouring landlords, share your experiences and learn about current housing matters.

The day will offer a mixture of interactive workshops, competitions, professional speakers and market place exhibitions. A free hot buffet lunch and drinks are included.

Places are limited and offered on a first come basis. **Booking is essential** via your own landlord. Please advise dietary and access requirements upon booking.
