

Do you live in Derbyshire or Derby City, and smoke?

Healthwatch Derbyshire wants to hear from you!

If you live in Derbyshire or Derby City, take our short 5–10 minute survey to share your experiences and help shape local stop-smoking support.

We want to understand:

- ✓ Why you might smoke
- ✓ What might help you to stop smoking
- ✓ How much you know about stop smoking support

Your feedback will help shape future stop-smoking support, and make sure local services meet the real needs of people across Derbyshire and Derby City.

Survey closes: 5 December 2025
