

FREE Digital Skills Training

in North East Derbyshire with Digital Connect

- Are you 18+ wanting help to use the internet to support your digital needs?
- Our digital training and learning support team is specially designed to support you in all your online needs via 121 or group sessions.
- Improve your digital skills and your confidence with all aspects of the internet and online activities.

We can support you with:

- ✓ Internet safety – being safe online
- ✓ How to use a digital device i.e computer/tablet/mobile more effectively and feel more confident
- ✓ Registering and applying for services, completing online forms and uploading documents
- ✓ Communicating effectively through email, video calls and other messaging apps.
- ✓ Building your skill base to support future opportunities/needs including creating CV's, job searches, applying for new career opportunities or getting into work
- ✓ Accessing services online such as NHS, GOV.UK, booking appointments, ordering prescriptions and virtual appointments
- ✓ We also offer a free tablet loaning service, so you can have access to the resources you need.

**Get in touch now to find out where your local venue is
and book your first session!**
