I / we\* certify that the whole of the particulars given in this Application for a Garage/Garage Plot are true. I / we\* realise that if a Council garage/garage plot is obtained by making a false statement, the Council reserves the right to take legal action to recover possession. The Council is a Data Controller under the Data Protection Act. We hold information for the purposes specified in our notification made to the Data Protection Commissioner, and may use this information for any of them.

We may get information about you from others, or we may give information to them. If we do, it will only be as the law permits to check accuracy of information, prevent or detect crime and protect public funds. We may check information we receive about you with what is already in our records. This can include information provided by you as well as others such as government departments and agencies and overseas tax authorities. We will not give information about you to anyone outside the Council unless the law permits us to do so.

Completing and signing this application form is consent under the Data Protection Act 1998.

## **Thank you for your interest in renting a garage / garage plot from North East Derbyshire Council.**

The Council will normally exclude people from registering who have committed certain types of criminal offence or have engaged in a criminal or anti-social activity. By anti-social behaviour we mean being a nuisance to your neighbours. People are also not normally allowed to register if they have been evicted or are subject to a legal notice of possession by this Council or any other Local Authority or Registered Social Landlord, or owe arrears from a past tenancy or other debts to this Council (e.g. an unpaid bill for damage).

We will therefore carry out checks and take up references as part of the Council's strategy to tackle crime and anti-social behaviour and make its District a better, safer place to live.

When your application has been assessed, the Council will send you a letter normally within 20 working days, giving your registration number. If you have a query about your application, you should contact the Housing Office as soon as possible.

North East Derbyshire Council as a responsible landlord is working with tenant and other organisations to tackle crime and anti-social behaviour in its area.

### **GENERAL INFORMATION**

- Council tenants receive priority over non-council tenants relating to the allocation of garages/garage plots.
- Any current North East Derbyshire District Council tenant who owes current rent arrears or sundry debts at the time of allocation of a garage / garage plot, your application will be by passed for offer, until such time as the debt is cleared.
- The Council will not be held liable for any damage or theft that may occur to private property.
- Garage plots are subject to planning consent being granted, at a cost to the applicant.
- It is a condition of renting a garage plot that a garage be erected and that the plot must not be used solely as a parking place.
- The garage should be used solely for the purpose of garaging of a private motor vehicle.
- No trade or business of vehicle repairing shall be carried out from the garage, or cause any nuisance or annoyance to occupants of nearby premises.
- Only such tools and equipment as are necessary for the maintenance of a private motor vehicle shall be stored in the garage.
- No storing of petrol or combustible materials other than such as may be contained in the fuel tank of the motor vehicle.
