# Application for Extra Care Accommodation

There are two extra care schemes in North East Derbyshire:

**Smithybrook View in Clay Cross** - owned and managed by Together Housing Group

**Stonelow Court in Dronfield** - owned and managed by South Yorkshire Housing Association.

Rykneld Homes advertise vacancies for these properties on our Choice Move website, so if you are interested in Extra Care Housing in North East Derbyshire, please complete and return this application form. We will add you to our housing register and pass on your expression of interest in one or both properties as and when they become available.

Both schemes have been specially designed to meet the needs of people aged 55 and over and would like to live independently but have access to onsite care and support. The properties consist of 2 bedroom, self-contained apartments, with a range of communal facilities to enjoy.

The care and support services are flexible and tailored to individual requirements as assessed by Derbyshire County Council Adult Social Care and includes a 24hour on site care team. The services are responsive to ensure that the schemes continue to meet the needs of its residents.

**By completing this form, you are expressing an interest only. Rykneld Homes will pass on your details to Stonelow Court and/or Smithybrook View as properties become available. Your application will then be considered alongside all other applications for the property by Together Housing Group or South Yorkshire Housing Association and supporting professionals such as Adult Social Care.**
